Dear Parents & Carers,

Liverpool is about to launch a new special educational needs and disability (SEND) strategy and is asking for help from all stakeholders including parents and carers to help to inform the development and delivery of services. The new strategy aims to ensure that all agencies work together to improve the way we assess children and young people with SEND.

The strategy identifies six main priorities to improve children and young people's lives in Liverpool and the council would like to hear your views on the priorities and on the draft strategy.

The consultation process will consist of a series of road show events where views can be heard.

The consultation will go live on the 14th of May and will close on the 30th of June 2018. Respondents can share their views by E-mailing their completed pro-forma to the following mailbox: sendconsult2018@liverpool.gov.uk. Alternatively the consultation process will be able to be accessed via the Liverpool.gov.uk/sendstrategyconsultation.gov.uk page or via the local offer at ehd.liverpool.gov.uk/kb5/Liverpool/fsd/homepage. Respondents will find the information on the front page under documents. I would be grateful if this information can be shared with all front line staff and parents.

The parental executive summaries will be translated into the top seven languages. The full document will be translated into the top three languages. In addition, should parents wish to access translation services via the local offer they can take advantage of the google translate function.

The agreed consultation event dates are as follows:

Tuesday 5th June – 3.30 pm – Toxteth Annexe – Parents/practitioners

Thursday the 7th June 5.30-6.30 pm –MYA - Young people

Thursday 7th June – 3.30 pm – Salvation Army – Cavendish Drive - Parents/practitioners
