Friday 13<sup>th</sup> October 2017

Dear Parents/carers,

Your Child has been selected to take part in a gardening project at Joseph Lappin centre; the children will take part in four sessions over the year to develop a wildlife garden. The sessions will include tree planting, creating bird feeders and bulb planting. This will be a wonderful opportunity for children to develop their gardening skills and learn about our local outdoor environment.

The children will need to wear a coat and suitable footwear e.g. wellies or old trainers and these should be brought into school. The first session will take place on Friday 13<sup>th</sup> October (1.00-3.00)

Please return the slip below if you give permission for your child to attend all four sessions.

Many thanks for your continued support,

Mrs Murphy Deputy Head teacher

---

I give permission for my child the gardening project sessions at Joseph Lappin
