

## Desmond Tutu

*Desmond Tutu wrote 'you don't choose your family. They are god's gift to you as you are to them' I think that sentence is fascinating because it makes you feel special inside that somebody cares about you. Everyone is a gift to Jesus. No matter what you do, you will always have a place in the heart of God and Jesus. Desmond Tutu made a book about if you don't forgive, the world won't be as good as it could be. We all want the world to be the best it could with everyone happy but if we don't forgive that cannot happen. I think that book is really good use for everyone that fights so they can realise fighting won't make anything better and follow the path of Jesus and God. We all aren't perfect but those mistakes is what makes all of us different.*
