

The Ossie News Updates

Here at St. Oswald's we have been very busy over the last few weeks. Construction on the new building is now underway and going really well so far. It is going to be very exciting to see what our school looks like when the 29 week project is complete, we really cannot wait to be able to enjoy the new amazing facilities! Stay tuned for our regular updates as the building work progresses.

We received some amazing news after the Archdiocese RE inspectors came to visit us last month. Mrs. Walsh gathered us all together on the playground the morning after the inspection to congratulate us all on a fantastic report. When the report came it said that the inspectors were very impressed and we had been graded outstanding in all areas! This was a truly wonderful achievement for us all. Well done to everybody involved in our school family, we are so proud!

Finally, there has been a lot of rehearsing taking place throughout EYFS, Key Stage 1 and in Year 3 over the last few weeks, as the staff and children have been preparing their Nativity performances which took place during our final week of term. Every performance brilliantly re-told the birth of our Lord and really helped us all to remember the true meaning of Christmas. We would like to thank all of the children and staff for their hard work putting together such great Nativities and wish everybody a peaceful and Holy Christmas and a Happy New Year.
