

The Ossie News Updates

On the Thursday before we finished for half term we had an extremely exciting event in school as we had a visit from BBC Radio Merseyside! Our school had been chosen to take part in the 'Test Tony' competition, which was live on the radio in front of thousands of listeners! Mr Wall and Sonny, Kian and Alyssa from Year 6 took part in the competition, while the rest of us cheered them on inside the hall. It was an amazing experience which we all loved and something we will never forget. You can listen to the show and the fantastic atmosphere that we created on the BBC Iplayer!

This week our end of year trips to IM Marsh began, to celebrate all of our effort and hard work that we have put in this year. Every class will have the opportunity to visit IM Marsh over the next few weeks, and the trip will involve taking part in lots of fun sports and activities. We are all really excited and can't wait to enjoy our well-deserved end of year treat!
