Dear Parents,

Our Nursery 2 children who will be going to school in September will be bringing home reading books each week from now until the summer holidays. The books are pre-reader picture books and encourage the children to talk about what is happening in the story. Inside the cover of each book you will find some hints and tips for parents for using the books with the children.

The books are from the same reading range the children will use when they move up to Reception and we hope they will enjoy becoming familiar with the characters in preparation for when they go to school. We know you all read lots of stories at home and also enjoy using our lending library each week and we hope that you continue to do this as well.

We change the books every Friday so if you could please help the children to remember to bring their book bags in on that day each week and pop them in the box in the cloakroom. If you have any questions about the books or reading with the children in Nursery please come and see us.

Thank you for your continued support.

Mrs Greer and Mrs Parkinson
