Dear Parent / Guardian,

As part of our Geography topic this term in year 1 we are looking at physical and human features of Old Swan and different types of houses.

On **Monday 11th March** year 1 will be going on a short walk around the local area to observe different houses and environmental features relating to our topic during the afternoon.

Please ensure that your child has a waterproof jacket with them for this walk.

Thank you for your continued support,
Year 1 Team
