Dear Parents/Carers,

This week the children across school will be taught Liverpool Archdioceses' relationships and sex education programme. The aim of the programme is to teach children from Nursery to Year 6 that we are all made in the image and likeness of God, and that love is central to all relationships.

Each year group, in an age appropriate way will be exploring a different aspect of the mystery of love, through a series of lessons with activities and reflections, which focus on physical, social, emotional and spiritual development.

Themes explored in each year group...

**Nursery:** Wonder at God's Love

**Reception:** God loves each of us in our uniqueness

**Year One:** We meet God's love in our family

**Year Two:** We meet God's love in the community

**Year Three:** How we live in love

**Year Four:** God loves us in our differences

**Year Five:** God loves me in my changing and development

**Year Six:** The wonder of God's love in creating new life

On our school website, there is a guide for Parents & Carers, which will give a lot more detail about the individual aspects of your child's year group messages. Each set of lessons are based around powerpoints, and lessons may include; discussions, presentations, questions, written work or homework.

I ask that all parents/carers read the information, as the children may have questions that they may need to discuss with you at home. Any parent/carer who would like a paper copy of the guide, please ask in the school offices.

Yours sincerely

Mrs M Walsh
