10th September 2019

Dear Parents/Carers,

Firstly may I start with a huge thank you to all the parents and carers who helped at the many PTFA run events in the last school year, we couldn't do it without your continued support!

St Oswald's Catholic Primary School PTFA is all about enriching the lives of the children, offering experiences outside of the classroom for them to have fun, make friends and enjoy their time here at school to the fullest. The money raised from the discos, games nights, quizzes etc all goes back to school to provide equipment and resources where it is needed most.

With our new school year upon us, it is that time once again where we ask parents/carers in school to sign up and become part of our PTFA team to make these additional opportunities possible for your children.

Our first PTFA meeting of the year will be held on Thursday 19th September at 3.30pm in the Infant School hall. You and your children are very welcome, with activities for children provided while the meeting takes place.

This first meeting gives us chance to plan events for the year to ensure all children in school are offered fun, exciting and engaging after school experiences. If you have great ideas about future events we'd love to hear them!

If you are willing to offer your support this year, whether that be a couple of hours at a school disco or helping the committee organise events, we would be extremely grateful.

Please contact Mr Crowther or return the reply slip to either school office if you are able to help our PTFA this year. Thanks once again for all your support

Mr Crowther
