Dear parents/carers,

23.09.2019

Firstly the Reception team would like to welcome the new arrivals to the school and welcome back children who attended our nursery. The children have settled in brilliantly in reception and we thank you for your support in the first few weeks of term.

Here at St Oswald's we love to get the parents involved in the children's learning and feel it is extremely important that you are aware of the work we are doing in school and how you can support your child at home to deepen their understanding further.

We are offering a parent and child phonics workshop next week which we would love to see you attend. Phonics is a vital part of learning in reception with daily lessons to help children learn the letters and sounds they will find in their reading books.

This workshop is a great chance to play games with your child that help them with their phonics but more importantly make learning fun! We will explain to parents all about the phonics we teach in school, make parents aware of how to pronounce 'pure sounds' and provide a range of techniques to help support children with their reading and writing.

This workshop will take place on **Monday 30<sup>th</sup> September at 2.00pm** in the infant school hall. Children will be brought through from Reception on arrival of their parents.

We look forward to seeing you there.

The Reception Team
