Dear Parents and Carers,

Thank you to all those who supported our first St. Oswald's Enterprise Fair. It was a real success and the children thoroughly enjoyed designing company logos, carrying out market research, costing, advertising, designing, making and selling their products. The children also learnt a lot about what is involved in making a profit in a business.

Each year group spent money within a given budget to buy the materials needed to make their products. They then decided on a price to sell their products and all profits raised went to their chosen charities. Thank you to all those who purchased items and helped raise money for these charities. I am sure you agree that all year groups made an excellent effort.
