Dear Reception Parents/Carers,

In Reception we have a very active curriculum for the children to enjoy and throughout the year we encourage children to explore their surroundings to get a better understanding of the local area.

As a result, we would like to take the children on a walk so they can explore their local area. We aim to explore our surroundings in terms of what the area around school looks like in order to get a better understanding of where we live. We will also use the information we find to create instructional posters around our school of how to look after our local area. This will also be a great opportunity to explore the changes from autumn to spring.

The children will be going on a short walk around Old Swan on Friday 24th January.

If you are willing for your child to take part in this educational walk please could you complete the form below and pass it back to the Reception team ASAP.

Thank you for your continued support,

Reception
