### SCHOOL MILK

Dear Parents/Carers,

Free milk will be provided to pupils who are in nursery and reception. It is also available to children who are entitled to free school meals but this must be applied for using the form below. Pupils who are in Year 1 to Year 6 and **not entitled to free school meals** will have to register with our provider DairyLink UK, on the [milk4life.com](http://milk4life.com) website.

If you are registering a pupil or pupils **who are entitled to free school meals**, then you need to inform school that you would like to register for free milk using the slip below. If you are entitled to free milk we will place the order on your behalf. If you have pupils in Years 1 or 2, you will only be entitled to free milk if you have applied for free school meals via the One Stop Shop. This would also mean school would receive additional funding to specifically support your child. Registering for free school meals once means that your child will be eligible for free school meals until they leave St Oswald's in Year 6.

Attached is a letter from DairyLink UK with more details on how to register if you need to pay for your milk. Please complete the slip below if you would like to register a child on free school meals for free milk and return to school no later than 6<sup>th</sup> February 2020.

PLEASE NOTE THIS MUST BE RETURNED TO SCHOOL BY THURSDAY 6<sup>TH</sup> FEBRUARY 2020. IF ORDERING AND PAYING ONLINE YOU MUST COMPLETE THIS BY 7<sup>TH</sup> FEBRUARY 2020. UNFORTUNATELY, WE CANNOT PROCESS LATE RETURNS.

YOU MUST COMPLETE THIS FORM OR REGISTER ONLINE EVEN IF YOUR CHILD/CHILDREN CURRENTLY RECEIVE MILK AT SCHOOL OR THEY WILL NO LONGER RECEIVE MILK.

Regards

Mr Strom  
Business Manager

The price for this will be 20p per carton (per day). **£12.66 per term or £6.33 per half term.** PLEASE NOTE THAT THIS IS SUBJECT TO CHANGE.

- **THE ONLINE ORDERING IS ONLY FOR CHILDREN OVER 5 YEARS OLD WHO NEED TO PAY FOR THEIR MILK. HOWEVER WE ASK THAT YOU PAY AT THE START OF THE HALF TERM THAT YOUR CHILD TURNS 5.**

By participating in a milk scheme at school, you are helping to give your child part of their daily calcium requirements needed to build strong bones and of course milk has many other nutritional benefits such as a broad range of essential minerals, a wide range of vitamins and is a great source of body-building protein and energy. No other drink delivers such a nutritional package. Milk is natural with no additives and is also safe for teeth. Dentists and dietitians agree that the safest drinks for children between meals are milk and water.

If you need anything further, please contact Jo at [jo.jones@dairylink-uk.com](mailto:jo.jones@dairylink-uk.com) or 01443 741481.
