

Dear Nursery Children,

I hope you are staying safe and enjoying your time at home. I am missing being in school so much and can't wait for us all to be back together again. It seems so long ago since I saw all your smiley faces.

I have been keeping busy at home and in my garden. I've done some reading and I've been trying to do some exercise every day to keep fit. I've even been on my bike!

I am enjoying spending time with my family, playing games and listening to music. but I am looking forward to everything being back to normal and us all being back in school.

I wonder what you have been doing ? Have any of you learned something new? Maybe you can get dressed on your own or have done some baking or maybe some clever counting?'

Remember you can send a message or photo's by email to school at nursery@stoswaldsschool.com or even send a letter in the post.

We would love to hear what you have been up to.

I hope you have been good for your grown up's and you are helping at home. Remember try and help when you can and go to bed when your grown up's say.

Have you been enjoying the activities we have set for you? If you haven't seen them yet ask you grown up to log on to our school app Weduc or look on twitter @StOswaldsPriLiv. There's lots of fun things to do.

I look forward to hearing what you have been up to and seeing you all back in school as soon as we are able to.

Till then, stay safe, have fun and be good.

From Mrs Parkinson
