

Online Relationships

I can make positive contributions and be part of online communities.

Questions To Ask

- What is a community?
- What communities do you belong to?
- What is the benefit of belonging to a community? How does it feel to belong to a community?
- What is meant by an online community?
- How might these be different to offline communities?
- Do you belong to any online communities?
- Do you behave differently online?
- Should you behave differently online?
- How should people behave in these communities to make sure the experience is positive for everyone?
- How might positive experiences make yourself and others feel?

Community characteristics

In our community, we will ensure everyone shows:

Ages 7-11

You are a developer!

You have the chance to design an app or an online community. Think about:

- *A name*
- *A logo*
- *Age range*
- *Age verification*
- *Community rules*
- *Ways to reward positive contributions*
- *Ways to report and raise concerns*
