Year Group: 4

Week Beginning: 18<sup>th</sup> May 2020

	Monday	Tuesday	Wednesday	Thursday	Friday
 <p>Maths</p>	<p>This week's Times Tables – x 7 times table (test on Friday)</p> <p><b>Guess my number</b></p> <p>Think of a number between 0 and 30 and ask members of your family to ask questions about your number. E.g. Is your number odd? A multiple of 5? A prime number? You can answer yes or no to each question. Ask your family member to keep going until they feel confident enough to guess the number. If they guess correctly, they get a point!</p> <p>Swap around and ask your family member to now pick the number and you ask the questions. Challenge yourself by increasing the range between the numbers each time. E.g. 0-30, 0-50, 0-60.</p>	<p>7 Times Tables practise</p> <p><b>Division problems – BBC Bitesize</b></p> <p><a href="https://www.bbc.co.uk/bitesize/articles/zmbtpg8">https://www.bbc.co.uk/bitesize/articles/zmbtpg8</a></p> <p>Click on activity one and you should see a worksheet like this. There are videos and times table charts etc. to help you with the division word problems.</p> 	<p>Times Tables Rockstars <a href="https://trockstars.com/">https://trockstars.com/</a></p> <p><b>Multiplication hopscotch</b></p> <p><a href="https://www.youtube.com/watch?v=Yf-ud1lettE#action=share">https://www.youtube.com/watch?v=Yf-ud1lettE#action=share</a></p> <p>Use the link for help on how to set up the hopscotch. The great thing about this game is it can be done with one person, or with family, everyone can join in and have a go.</p> 	<p>Times Tables Rockstars <a href="https://trockstars.com/">https://trockstars.com/</a></p> <p><b>Measure Problems</b></p> <p><a href="https://www.thenational.academy/year-4/maths/measures-solving-measures-problems-year-4-wk3-5#">https://www.thenational.academy/year-4/maths/measures-solving-measures-problems-year-4-wk3-5#</a></p> <p>Use the following lesson in order to practise converting measurements of length and weight. Can you improve your score on the interactive quiz?</p> 	<p>7 Times Tables Test –</p> <p><b>Active maths – Around the World with inverse</b></p> <p>In your house, ask a grown up to put the name of each planet on a piece of paper with some missing box questions underneath the name of each planet. Spread the planets out at different points across the house or garden. Calculate the answer by doing the inverse calculation (the opposite to the operation which is shown) Move on to the next planet by doing a different exercise each time, e.g. hopping, skipping, rolling, jumping etc. Explain how you got it! Here are some examples:          Sun – <math>400 + ? = 1,000</math>          Mercury – <math>? + 800 = 2,000</math>          Venus – <math>1,120 + ? = 1,300</math></p>

Other Subjects	<p><b>Art</b></p> <p>Your task today is to go on a nature hunt, this can be in your garden or local park, to find patterns and symmetry in nature. For example, look at the patterns in different leaves, tree trunks, and branches. Once you have studied the different patterns it's your turn to sketch your own designs of symmetry and patterns in nature. Have fun.</p>	<p><b>RE</b></p> <p>Today we would like you to think and reflect on your own experiences. Think about a time when you have been feeling a bit miserable or just slightly bored and then something happened that really brightened your day and cheered you up. Consider the following questions and discuss with a member of your family;</p> <ul style="list-style-type: none"> <li>• What happened?</li> <li>• How did it change your mood?</li> <li>• Who was responsible and why did it make a difference?</li> <li>• How did your good feeling affect others?</li> </ul>	<p><b>PE - Circuits</b></p> <p>Today your task is to create your own circuit. A circuit is made up of different exercises that are performed for a short amount of time before moving onto the next one. It is a fantastic way to work all of our muscles and keep us fit and active. You should choose 8 exercises and perform each one for 30 seconds in a sequence. This is a great workout to get your family involved to. Exercises you could include;</p> <ul style="list-style-type: none"> <li>• Star jumps</li> <li>• Push ups</li> <li>• Burpees</li> <li>• High knees</li> <li>• Sit ups</li> </ul>	<p><b>RE</b></p> <p>Make a good news board. Collect some good news from as many people as you can and record in some way why it was good news and how it made them feel. To do this you could ask members of your family, phone your friends and relatives. Their good news may even be getting a phone call from you!</p> 	<p><b>PE - Joe Wicks</b></p> <p>Get active and join Joe for a fun workout. Fridays are fancy dress if you want to make it a bit more fun!</p> <p><a href="https://www.youtube.com/channel/UCAxW1XT0iEJoTYIRfn6rYQ">https://www.youtube.com/channel/UCAxW1XT0iEJoTYIRfn6rYQ</a></p>
