

Online Safety Story Planning

Aim

- To apply online safety rules to real-life scenarios.

Success Criteria

- I can explain how to stay safe online.
- I can give an example of unsafe online behaviour and the possible consequences.
- I can explain how to apply online safety rules to a given scenario.

Digital Disasters

Spam emails

Creating strong passwords

Writing citations

Editing photographs

What could be the possible consequences of not following good Internet safety practices in each of these areas?

Incredible Ideas

Think about one of these areas of online safety:

Spam emails

Creating strong passwords

Talk about the possible things that could go wrong in your chosen area

Example: Someone might get scammed if they clicked on a link.

Possible Problems

You will be creating a comic strip about how to stay safe online. You will plan what your comic strip will be about.

Let's look at an example of a situation where someone has not stayed safe online.

Possible Problems

What does the character do wrong?

Bob is checking his email.

He spots an email telling him that he can have free pizza for a year. He opens the email and clicks on a link.

Possible Problems

What should they do now to avoid the situation getting worse?

Bob should tell his parents straight away and explain what has happened. He shouldn't click anything else on the computer.

Possible Problems

What should the character do next time they are doing this activity?

^ Index 1-1 of 1 ⋮

Sender	Subject	Date
<input type="checkbox"/> PIZZA LAND fakerboy1331234@spamtown300.pe.it	You won FREE PIZZA for a year	03/01/2018

Mark as Junk 

Bob should check the subject and the sender of the email carefully before he opens the email. If the email has been sent from a strange or unknown email address, or the subject sounds too good to be true, he should move the email to his junk folder without opening it.

Plan Your Problem

In your groups, answer each question to plan your own idea for your comic strip.

- What online activity is the character taking part in?
- Why are they taking part in the activity?
- What does the character do wrong?
- What happens because of their unsafe online behaviour?
- How do they feel now?
- What should they do now to avoid the situation getting worse?
- What **safe** online behaviour should the character do **next time** they are doing the same activity?

Put Your Plan on Paper

Now write down your plan, making sure you have answered each question.

Your plan will be used to create your comic strip in the next lesson.

In the first box, think of a terrific title for your comic.
