

Year 5

Mental Maths

L.O To read the time from
an analogue clock to the
nearest minute

I should be in school by 8.45
a.m., but I am 10 minutes
late.

What time is it?

My favourite TV programme
starts at 19.10. Show this
time.

The programme lasts for half an hour from 19.10. At what time does it finish?

Show the time 20 minutes
after 15:45. How else could
we say this time?

The film starts at 18.30. I am meeting my friends one hour before that. When is that?

The train arrived at 11.30
after a journey of 1 hour and
20 minutes. At what time did
it leave?

Show me 6.47a.m. What
would that be in 24 hour
time?

Show me 2.38p.m. What
would this time be in 24 hour
time?

How else can we say 2.38?

The dvd lasts for 1 hour 45 minutes. It started at 5.15 pm. At what time will it finish?

My watch is showing 6.10,
but it is now 6.50. For how
long has it been stopped?

Show me the time 45
minutes after 2.20.

Show me the time 25
minutes before 10.45.

A PE starter activity lasted for 35 minutes. If it ended at 2.55pm, at what time did it start?
