

# Building a Budget

Keep a note of your spending as you create your first draft plan of your theme park. Add tally marks as you add to your plan and then total up your costs.

Are you within budget?

| Type of Ride/Amenity or Attraction |                              | Tally | Total Number of Park | Total Cost |
|------------------------------------|------------------------------|-------|----------------------|------------|
| Thrill-seeker Rides                | £150 000                     |       |                      |            |
| Family Rides                       | £100 000                     |       |                      |            |
| Water Rides                        | £100 000                     |       |                      |            |
| Children's Rides                   | £50 000                      |       |                      |            |
| Attractions                        | £20 000                      |       |                      |            |
| Toilet Blocks                      | £25 000                      |       |                      |            |
| First Aid Booth                    | £25 000                      |       | 1                    | £25 000    |
| Eating Establishments              | £25 000                      |       |                      |            |
| Entrance Turnstile                 | £25 000                      |       | 1                    | £25 000    |
| Bins                               | £100                         |       | 10                   | £1000      |
| Benches                            | £100                         |       | 20                   | £2000      |
| Paving                             | £500 (per 50m <sup>2</sup> ) |       |                      |            |
|                                    |                              |       | Total Spend:         |            |
|                                    |                              |       | Under Spend:         |            |
