END OF THE YEAR Task Cards

End of the School Year Reflection Task Cards

Happy Teacher Appreciation Week! Please enjoy these 24 free End of the School Year task cards. The first twenty cards each feature a reflection question about the school year. These would work well as either discussion or writing prompts. The final four cards (yellow titles) each require student to write a letter pertaining to the school year. These are longer activities and would be great at a center or as a whole class assignment.

Printing and Cutting:

These cards were made to be printed in color, but will print out fine in gray scale too. They should print out with even margins around the cards; however, because every printer is different, it is possible that you may need to adjust your printer settings. Selecting "actual size" or adjusting the size percentage should do the trick. Cut the cards apart using the dotted guidelines (discarding the bottom strip). Laminate if possible. Another option is to print on cardstock.

clip art and fonts:
