

Returning to School Bag Challenge

We are really excited about you coming back to school. We want to get to know what you have been doing and enjoying while school was closed.

Fill the bag on the next page with important information all about you.

You can use pictures, words or both!

- **Who are you?**
- **Who else lives in your house with you?**
- **Where do you live?**
- **What have you been doing for fun?**
- **What was the best thing you did?**
- **What makes you smile?**
- **What makes you special?**
- **What makes you laugh?**
- **What is your favourite food?**
- **What are you looking forward to about returning to school?**

Feeling more creative?

You could even **make** a real bag and fill it with some important items.
