Physical activity-

Cosmic Yoga to start the week!

<https://www.youtube.com/watch?v=U9Q6FKF12Qs>

Physical activity-

Balloon tennis

You will need a balloon and someone to play with. You can play inside or outside as long as it isn't windy!

Set up a net using pillows or cushions and use your hands as racquets

If you don't return the balloon to your partner they score a point

RE

Create a picture of all the things that you treasure. You could draw, paint, cut out pictures from magazines or use materials from around your home to make a collage. When it is finished put it somewhere you can see it to remind you of all the treasures you have!

Physical activity-

Set yourself a 2 minute challenge doing lots of different things
How many times in 2 minutes can you:

Run up and down your stairs?

Catch a ball?

Do a star jump?

Touch your toes?

Throw a ball down and catch it when it bounces back?

Keep a ball in the air using your feet?

Music –

This is a chance to use your imagination and take part in a journey to the stars. There are lots of different activities to try and some LOUD music to listen to.
