

# St Oswald's Catholic Primary School Home Learning

Year group 5

Week Beginning: 6<sup>th</sup> July 2020

	Monday	Tuesday	Wednesday	Thursday	Friday
 Maths	<p><b>Clock Equate – number operations</b>  <a href="https://www.transum.org/Software/SW/Starter_of_the_day/starter_June14.ASP">https://www.transum.org/Software/SW/Starter_of_the_day/starter_June14.ASP</a>                      Can you use the digits on the left of this clock along with any mathematical operations to equal the digits on the right?</p> <p><b>Box of chocolate maths</b>                      Look at the investigation worksheet. Using a box of chocolates, choose one of the tasks and see if you can use the information from the chocolate box to complete some of the tasks.</p>	<p><b>Route to Las Vegas – calculating cost</b>  <a href="https://www.transum.org/Software/SW/Starter_of_the_day/starter_November20.ASP">https://www.transum.org/Software/SW/Starter_of_the_day/starter_November20.ASP</a>                      Work out the cheapest way from Los Angeles to Las Vegas by choosing the best route and adding up the given numbers.</p> <p><b>Code breaker subtraction</b>                      You need to work out the answer to each calculation. The answer will relate to a letter. Once you have completed all the calculations, the letters will reveal a word that is</p>	<p><b>What are they? – Number facts</b>  <a href="https://www.transum.org/Software/SW/Starter_of_the_day/starter_June4.ASP">https://www.transum.org/Software/SW/Starter_of_the_day/starter_June4.ASP</a>                      A starter about sums, products, differences, ratios, square and prime numbers.</p> <p><b>Missing medals maths</b>                      Look at this investigative 'solve the clue' maths challenge. This covers a range of skills and tests whether you can put into practise your knowledge to solve the mystery. Good luck!</p>	<p><b>Simplifying fractions</b>                      Can you look at the fractions at the top of today's worksheet and reduce them to their simplest form?</p> <p><b>Calculating area</b>                      Remember that finding the area means length x width of each rectangle. Can you find the area of the compound shapes given?</p>	<p><b>Think of a number...</b>  <a href="https://www.transum.org/Software/SW/Starter_of_the_day/starter_November1.ASP">https://www.transum.org/Software/SW/Starter_of_the_day/starter_November1.ASP</a>                      'Think of a number' and there are four randomly generated THOAN puzzles to solve.</p> <p><b>Family Challenge</b>                      Try the White Rose maths family challenges – get all your family involved! The questions start off easier then get progressively harder. Good luck!</p>

		needed to break the code.			
	<b>Word of the day</b> - find the definition, write it in a sentence and learn how to spell it.				
 English	Word of the day <b>psaltery</b>  <b>Reading comprehension: Charlie &amp; the Chocolate Factory</b>  Today is world chocolate day – in honour of this, read the first chapter of Charlie & the Chocolate Factory then answer the comprehension questions.  The answer sheet is also included in the resources.  	Word of the day <b>pseudo</b>  <b>Similes &amp; metaphors</b>  Use the link to practise identifying similes and metaphors, recognising the difference.  <a href="https://uk.ixl.com/ela/year-5/identify-similes-and-metaphors">https://uk.ixl.com/ela/year-5/identify-similes-and-metaphors</a>  There is also a paper task option to identify the similes and metaphors into the correct column.	Word of the day <b>psychically</b>  <b>Spelling – statutory spelling word activity mat</b>  Look at 5 of the statutory words for years 5/6.  Accommodate Accompany According Achieve Aggressive  Complete a word activity mat for each word.	Word of the day <b>psychobabble</b>  <b>Expanded noun phrases</b>  Look at the revision card on what expanded noun phrases are and how to form them.  Use the table on the worksheet to see if you can create some of your own expanded noun phrases using some of the given words.  Next, create some of your own full sentences, including your expanded noun phrases.	Word of the day <b>psychoacoustics</b>  <b>Creative writing – Pobble 365</b>  Look at the Pobble picture prompt. You have 5 sections to complete: <ol style="list-style-type: none"> <li>1. Question Time – think about the picture and the story behind it.</li> <li>2. Sick Sentences – improve/up level these sentences and make them better.</li> <li>3. Sentence Challenge – try some sensory writing to describe the scene.</li> <li>4. Picture Perfect – draw a picture that links with the scene.</li> </ol>

					5. Story Starter – can you continue the story?
	<p><b><u>DT – World chocolate day</u></b></p> <p>Inspired by Mr Willy Wonka, can you design your own chocolate bar, wrapper and advertising campaign?</p> <p>Look at the PPT and guidelines on how to complete the task, including prices etc.</p> 	<p><b><u>Physical Education</u></b></p> <p>Look at the lockdown challenge worksheet. See if you can complete as many of these challenges as possible.</p> 	<p><b><u>Science – Flowering plants</u></b></p> <p>How do flowering plants reproduce?</p> <p><a href="https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zqbcxfr">https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zqbcxfr</a></p> <p>Follow the link above and recap on your knowledge of flowering plants and sexual reproduction</p> <p>Once you have practised the online activities, see if you can complete the 'Pollination Process' worksheet.</p>	<p><b><u>Art –</u></b></p> <p><u>Children's Art Week 2</u> (This is a national initiative to develop creativity and lasts for 3 weeks with a new theme each week.)</p> <p><u>Week 2 theme: Connecting across generations</u></p> <p>You have 4 options for your art task this week – choose 1 of them, or more if you like:</p> <ol style="list-style-type: none"> <li>1. Connecting across generations through the celebration of Bilingualism. Create art and promote, the mother tongue you speak at home. Write "Art" in your mother language and paint around it. For example One word in Robert Indiana style (see resource example.)</li> <li>2. Learn something about your loved ones and make a</li> </ol>	<p><b><u>PSHE – National simplicity day</u></b></p> <p>Nation Simplicity Day is on Sunday 12<sup>th</sup> July.</p> <p>National Simplicity Day was founded in honour of Henry David Thoreau, who was born on July 12, 1817. Thoreau was an advocate of living simply. In the complicated world that we inhabit today where mobile phones, laptops and other modern day gadgets mean that we very rarely experience true peace and quiet to gather our thoughts, what better excuse to leave the technology at home and experience the feeling of truly being in the moment.</p> <p>Starting from Monday, keep a week's gratitude journal, taking time to appreciate the simple things in life.</p>

				<p>memory box – see if you can collect together some photos and talk to your older relatives about their life experiences.</p> <p>3. Draw or paint a tree and add information about your family and friends. You could even create a fantasy family as an alternative.</p> <p>4. <a href="https://www.liverpoolmuseum.org.uk/collections/walker-art-gallery/paintings">https://www.liverpoolmuseum.org.uk/collections/walker-art-gallery/paintings</a> Look at the collection of paintings online – see if you can recreate one of these paintings in a creative way. You and your family could dress up as the people in the paintings or use macaroni and vegetables to recreate a beautiful countryside scene!</p>

	<p><b>History –chocolate and the Mayans</b></p> <p>A brief history of chocolate:  <a href="https://www.bbc.co.uk/bitesize/articles/zngsqp3">https://www.bbc.co.uk/bitesize/articles/zngsqp3</a></p> <p>Look at the PPT about the Mayans and their food. You will have to decide on which food you think was the most important to them – maize (corn) or chocolate. Complete the activities on the worksheets.</p>	<p><b>RE – Global forgiveness day</b></p> <p>Think about what the words forgiveness and reconciliation mean. Complete the forgiveness and reconciliation worksheet thinking about different scenarios and how easy or difficult these would be to forgive and why.</p> <p>Look at the PPT at Christian teachings.</p> <p>Complete the Bible analysis activity showing understanding of Jesus' teachings.</p>	<p><b>Wellness Wednesday:</b></p>  <p>Take a look at the seven activity options. The first three are activities to do once, the four on the next page are activities you can do every day. All of these activities are based on research to help you look after your mental health and well-being.</p>	<p><b>Computing – email phishing</b></p>  <p><a href="https://cybergamesuk.com/">https://cybergamesuk.com/</a>  Take a look at the above link – click on the flower shop activity.  Can you help the Flower Shop figure out which emails are phishing and which are legitimate?</p>	<p><b>Music – rhythm and pulse</b></p> <p>Look at the rhythm and pulse PPT and practise speaking or moving in a rhythmic manner.</p> <p>Next, use the empty boxes and picture cards to create your own rhythmic patterns.</p> <p><b>Spanish – Basic questions &amp; answers</b></p>  <p>Look through the PPT of transport in Spanish – this should be a recap of the topic that we looked at in Spring term.  Use the vocab in the PPT to help you translate the 3 sentences into English.</p>
