PE Catch Up Curriculum Vision

At St Oswald's Catholic Primary school, we believe that PE is critical in ensuring children are physically and mentally healthy, and that the well-being of the children is of the utmost importance. We will promote health and well-being through play, wellness sessions, daily mile, active lessons and structured PE lessons on a daily basis. We will ensure that all pupils develop physical literacy and the fundamental knowledge, understanding and skills to excel in a wide range of physical activities, by providing a broad and balanced curriculum with opportunities for all.

With returning to school, due to Covid-19, activities will be distanced and non-contact and will be teaching outside where possible. Safety measures will be shared with all staff around the school and we will reduce and where possible avoid sharing equipment.

There will be procedures in place for: cleaning practice areas, including halls and outdoor spaces, cleaning equipment and using hand sanitiser for all children.
