

Year 6 January 2021 Blog

All of the Year 6 staff are incredibly proud of the online learning that the children have been completing in the last few weeks - well done!

English – We have been looking at Performance Poetry related to Lockdown. We have seen some great poems and excellent descriptions showing thoughts and ideas. We have also looked at homophones and synonyms in grammar. Each week we have completed spelling and reading comprehension activities.

Maths – Fractions have certainly been a challenge! Well done to all the children who have worked hard on this topic. We have kept up with Times Tables Rockstars and Fluent in 5 each day.

Science – Electricity! The children have been looking at electricity and circuits – some great work produced!

We have celebrated National Sticker day in Art, learned about Independence and Safety in PHSE, looked closely at the books of the Bible in RE and kept fit with Joe Wicks.
