

# He's Got the Whole World In His Hands

Children helping children

# Monday

You can see children holding hands together and smiling. They are 'children helping children' and they look like they are giving the whole world a great big HUG!

## Prayer Leader:

A few weeks ago we learned about the charity **Mission Together**. This Tuesday is Mission Together's **Day of Many Colours** – when we remember and celebrate that we all belong to God's worldwide family.

Each of us is loved and valued equally by God the Father, and His son, Our Lord, Jesus.

Our celebrations for the Day of Many Colours will last all week, and remind us that when we support and work together with children around the world, the world feels God's love in a special way.

**What can you see on the logo?**

The children wear different coloured shirts as they represent different continents.

## Prayer Leader:

You can see the different continents coloured on the map here. Each day this week we will hear a story from one of the continents, and then say three special prayers a number of times.

You can also see a rosary - a special set of beads that people use to help them to pray. This special 'Mission Rosary' is coloured in the same colours as the continents, and helps us think about and pray for children around the world, especially those who are poor, struggling and need our support.

Let's start with... **green!**

Green was chosen to represent the forests and grasslands of Africa
