

## Multiplication Awards

### Bronze/Bronze Plus

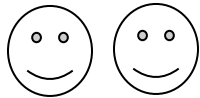

I can answer random multiplication and division questions in any order, for the 2x, 5x and 10x tables.

### Silver/Silver Plus

I can answer random multiplication and division questions in any order, for the 3x, 4x and 8x tables.

### Gold/Gold Plus

I can answer random multiplication and division questions in any order, for the 6x, 7x, 9x, 11x and 12x tables.

### Diamond

I can answer random multiplication and division questions in any order for tables up to 12 x 12.

### Times Table Champion

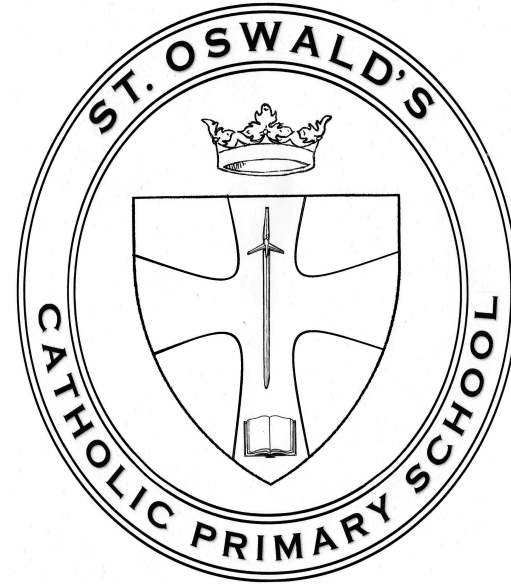

I can answer related multiplication and division facts about all multiplication tables.

For example,  $45 \div 5 = 9$ ,  $60 \times 5 = 300$ ,  $0.6 \times 5 = 3.0$

This booklet is designed so that you as parents and carers can support your child with learning their multiplication facts.

## Times Tables Challenge
