

St Oswald's Catholic Primary School

Remote Learning Policy 2021-2022

Approved by:	Approval date	Renewal date
Standards committee	07/10/21	September 2022

This Remote Learning Policy is set within the context of the whole school aims and mission statement:

*Together with Jesus,
We will Learn and Grow in Faith*

Statement of intent

Though the expectation is that all children attend school, at St Oswald's Catholic Primary School, we understand that Covid has not gone away and may still affect children's ability to attend school. There may be a change to local circumstances or a school outbreak that means school may have to change back to remote education.

In such circumstances, St Oswald's we see the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. Remote learning may apply in a situation where the school has to close for an extended period of time. This policy does not apply to short term absences when a child is ill.

Remote learning may be appropriate in situations when students, in agreement with the school, have a period of absence but are able to work at home, at least to some extent. This may apply in cases such as exclusion from school, or longer-term illness, assuming students are able to complete school work at home. Another relevant instance would be if, following an infectious disease outbreak, students are self-isolating at home but are not suffering with relevant symptoms. There is no obligation for the school to provide continuity of education to students who absent themselves from school, with or without parental permission, in contravention to school or government guidance. This may apply, for example, if parents choose to take students on holiday during term time. Similarly, this would apply if parents made the decision, without prior agreement with the school, to absent their children from school 'as a precaution', against official guidance, in the event of an outbreak of infectious disease.

We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Set out expectations for all members of the school community with regards to remote learning.
- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.

- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.

Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

Appendix 2 - Remote Learning Contingency Plan (Scenario Planning) for the education of all pupils at St Oswald's Catholic Primary School during Covid-19

Scenario 1: In the event of an individual pupil in self-isolation.

Step 1: Parent/carer phones school to notify of self-isolation / waiting on a test.

Step 2: Teacher will be notified and the teacher will set work for the child for the following school day.

Step 3: Paper copy for the week will be available from the office the following day.

Scenario 2: In the event of a self-isolation / closure, the child will not engage in home learning tasks.

If this happens, we would urge parent/carers to contact school via telephone 0151 228 8436 or email office@stoswaldsschool.com. A member of staff will contact you to discuss barriers to learning. A Family Liaison Officer may become involved with the family to support the well-being of the child. This will be done via telephone conversations. We understand this can happen for a number of reasons. We will try and work with the family to encourage the child to re-engage. Activities can be completed by the child at any time of the day, at a time suitable for the family.

The mental well-being of both parent/carer and child is of the utmost importance to school. We know there may be difficulties and we just ask everyone to do their best in supporting the learning the school is providing.

Scenario 3: In the event of a class teacher in self- isolation (well and able to work from home)

Children will follow their usual timetable in school. The class teacher will continue to support remote learning by setting tasks for other pupils in isolation, homework activities and the weekly planning for the rest of the class/year group. A qualified adult will supervise the class.

Scenario 4: In the event of a class teacher being unwell and unable to deliver remote learning during full school opening

Children will follow their usual timetable in school. A qualified adult will take classroom responsibilities including remote learning with the support of a TA.

Scenario 5: In the event of a full lockdown

Step 1: School will notify parents of full lockdown.

Step 2: Teacher will be notified and the teacher will set work for the following school day on Google Classroom/Class Dojo.

Expectation of the parent/carer

We expect parents/carers to support their child’s education at home. Class Dojo, Google Classroom and paper activities can be accessed at any time of the day, suitable for the individual family.

As we work through this together, it is likely that we will face challenges. We will continue to reflect upon practice and so therefore further modifications and enhancements are likely to be introduced. We recognise that parent/carers will have different expectations and different opinions at different times. Decisions will continue to be made with the knowledge, timescales and resources school has at that given moment of time and we ask all parent/carers to work with us in line with our school spirit. Unreasonable expectations or unfair comparisons sadly take efforts away from what we always strive to do which is to further improve our service. This does not mean that the school is beyond criticism. We welcome ideas, suggestions and solutions so that together we work harmoniously for parent/carers, staff and our pupils.
