

Endeavour Award 2021-22

1NM

Daisy

Daisy has worked so hard this year in 1NM. She has discovered a love of reading and this is down to her hard work in phonics this year. Daisy is a kind and considerate girl and is always there to help others around her as much as she can. Daisy can be relied on to bring a smile to the classroom and oozes positivity and happiness in everything she does. Well done Daisy!
