

Endeavour Award 2021-22

2LH

Niamh

Niamh has impressed me this year with her focus in class and her determination to succeed. She tries so hard when she finds something difficult but always perseveres and gives 100%. Niamh has made a positive contribution to the class through her cheerfulness, enthusiasm and hard work. I am pleased to see that her confidence in her abilities is developing and she is trying to push herself more. Well done, Niamh!
