Amelia

Amelia has had a fantastic year in year 2. She is kind and considerate of others and is a perfect role model with impeccable behaviour. Her confidence in school has grown, she approaches all aspects of school life with a positive attitude and I believe that she can achieve anything she puts her mind to. She has an extremely kind and caring nature and is always a thoughtful friend. It has been a pleasure to teach Amelia this year and she should be very proud of all her achievements.
