

# Endeavour Award 2021-2022

## 3EM

## Chloe

I am delighted to announce that this year's Endeavour award in 3EM goes to Chloe. She has shone brightly this year by pushing herself every day, in every subject and in every lesson. Chloe has not let the obstacles she's faced hold her back. She has tackled and overcome difficulties and is now going into Year 4, a strong, resilient and hardworking young lady. Chloe's confident and self-belief has rocketed. I am very proud of all she has achieved this year. Well done,

Chloe!
