

Endeavour Award 2021-22

3HH

Lily

Lily has impressed me this year with her focus and determination to succeed. She has worked tirelessly to improve in all lessons and this makes her work a joy to read. Lily is always looking to help others as often as she can. Lily is a very polite, kind and caring person and she brightens the room with her smile when she enters the class in the morning. Well done, Lily!
