

Endeavour Award 2021-2022

Heidi

4RD

Heidi is a determined, kind and hardworking girl who has been an invaluable member of 4RD this year. Her kind and caring nature means she goes out of her way to help others and this is a wonderful attribute which I have been delighted to see grow even more this year. Heidi works hard in all her lessons and asks questions to help her understanding. Her excellent progress this year is down to her own perseverance and willingness to do well. I know she will go on to achieve incredible things next year and for many years after that!
