

## Endeavour Award 2021-22

5JW

Charlie

Charlie has had an excellent year this year and it has been a pleasure to see him grow in confidence as the year progressed. Charlie has an excellent attitude towards all of his learning and this has had a positive impact on his progression this year. Charlie is always very positive and has worked hard in interventions this year to overcome difficult tasks. Charlie should be proud of his achievements next year and I wish him the best of luck in Year 6!
