RAB

Emily

Since September, Emily has continued to work hard in everything that she does. She perseveres even when she is finding something difficult and keeps on trying. Emily has a great attitude to her learning and she always comes into school with a smile on her face ready to learn. Emily is kind, and caring, and ensures everybody around her has someone to play with. Her beautiful manners and behaviour make her a wonderful role model for others. Well done on a great year in Reception Emily!
