

Breakfast Club

St Oswald's Catholic Primary School have joined with Family Action Breakfast to provide a nutritious healthy breakfast for our children.

We have two Breakfast Clubs, one in the infant building and one in the junior building. Places have to be pre-booked using the school Weduc account. The daily cost of Breakfast is £3.00 daily, this cost covers a small cost for food and the child care staffing costs.

Some places will be available for a subsidised price via conversations with our School Family Liaison Officers, Mrs Mahon or Mrs Finch.

Enquiries can be made through the school office
