<p>Focus of Learning / linked to topics:</p> <p>Within this topic children will further explore a range of nursery rhymes. They will have the opportunity to explore some of their favourites in more detail. Older, more experienced nursery children they will have the opportunity to explore nursery rhymes with different words through a mini topic within the topic called "new words to old rhymes".</p> <p>Within this topic we will also explore materials. They have learnt many of them and can sing a growing repertoire. They have also sang new words to familiar rhymes during our Christmas celebrations.</p> <p>Many of the children for whom English is not their first language are learning to join in during small group sessions when familiar rhymes are incorporated.</p>
