| Nursery | <p><u>Introduction to PE Unit 1</u></p> <p>In this unit, children will be introduced to Physical Education and structured movement through the topic of 'fantasy and adventure'. They will spend time learning basic principles of a PE lesson such as finding space, freezing on command, using and sharing equipment and working individually, with a partner and group. They will take part in activities, which will develop fundamental movement skills such as running, jumping, skipping.</p> | <p><u>Introduction to PE Unit 2</u></p> <p>In this unit, children will be introduced to Physical Education and structured movement through the topic of 'everyday life'. They will spend time learning basic principles of a PE lesson such as safely using space, stopping safely, using and sharing equipment and working individually, with a partner and group. They will take part in activities which will develop fundamental movement skills such as running, jumping and skipping. Children will also play simple games and begin to understand and use rules.</p> | <p><u>Fundamentals Unit 1</u></p> <p>In this unit children will develop their fundamental movement skills through the topic of 'all about me'. Fundamental skills will include balancing, running, changing direction, jumping, hopping and travelling. Children will develop gross motor skills through a range of activities. They will learn how to stay safe using space, working independently and with a partner.</p> | <p><u>Ball Skills Unit 1</u></p> <p>In this unit children will develop their ball skills through the topic of 'minibeasts'. Children will develop fundamental ball skills such as rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball. Children will be able to develop their fine and gross motor skills through a range of game play using a variety of equipment. Children will be given opportunities to work independently and with a partner.</p> | <p><u>Dance Unit 1</u></p> <p>In this unit, children will develop their expressive movement through the topic of 'everyday life'. Children explore space and how to use space safely. They explore travelling movements, shapes and balances. Children choose their own actions in response to a stimulus. They are given the opportunity to copy, repeat and remember actions. They are introduced to counting to help them keep in time with the music. They perform to others and begin to provide simple feedback.</p> | <p><u>Games Unit 1</u></p> <p>In this unit, children will develop their understanding of playing games through the topic of 'transport'. Children will practise and further develop fundamental movement skills through games. They will also learn how to score and play by the rules, how to work with a partner and begin to understand what a team is, as well as learning how to behave when winning and losing.</p> |
| Reception | <p><u>Fundamentals Unit 2</u></p> <p>In this unit children will develop their fundamental movement skills through the topic of 'places and spaces'. Children will develop skills of balancing, running, hopping, jumping, travelling and changing direction. Children will develop fine and gross motor skills, through handling equipment. They will learn how to stay safe using space. They work independently and with a partner to complete tasks.</p> | <p><u>Gymnastics Unit 1</u></p> <p>In this unit, children will develop their basic gymnastic skills through the topic of 'animals and their habitats'. Children explore basic movements, creating shapes, balances, and jumps and begin to develop rocking and rolling. They show an awareness of space and how to use it safely and perform basic skills on both floor and apparatus. They copy, create, remember and repeat short sequences. They begin to understand using levels and directions when traveling and balancing.</p> | <p><u>Dance Unit 2</u></p> <p>In this unit, children will develop their expressive movement through the topic of 'places'. Children explore space and how to use space safely. They explore traveling actions, shapes and balances. Children choose their own actions in response to a stimulus. They also are given the opportunity to copy, repeat and remember actions. They continue to use counting to help them keep in time with the music. They explore dance through the world around them. They perform to others and begin to provide simple feedback.</p> | <p><u>Ball Skills Unit 2</u></p> <p>In this unit children will develop their ball skills through the topic of 'weather'. Children will develop fundamental ball skills such as throwing and catching, rolling a ball, using targets, dribbling with feet, kicking a ball, bouncing and catching a ball. Children will be able to develop their fine and gross motor skills through a range of game play with balls. Children will work independently and with a partner and will develop decision making and using simple tactics.</p> | <p><u>Games Unit 2</u></p> <p>In this unit children will practise and further develop their fundamental movement skills through the topic of 'around the world'. Children will learn and develop these skills by playing a variety of games. They will also start to understand how to work as a team, take turns, keep the score, play against an opponent and play by the rules.</p> | <p><u>Gymnastics Unit 2</u></p> <p>In this unit, children will develop their basic gymnastic skills through the topic of 'traditional tales', to include 'Jack and the Beanstalk' and 'Goldilocks and the Three Bears'. Children explore basic movements, creating shapes and balances, jumps and rolls. They begin to develop an awareness of space and how to use it safely. They perform basic skills on both floor and apparatus. They copy, create, remember and repeat short sequences. They begin to understand using levels and directions when travelling and balancing.</p> |

|--------|--|--|--|---|---|--|
| Year 1 | <p><u>Fundamental Skills</u></p> <p>Pupils will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. They will explore these skills in isolation as well as in combination. Pupils will be given opportunities to identify areas of strength and areas for improvement. Pupils will work collaboratively with others, taking turns and sharing ideas.</p> <p><u>Gymnastics</u></p> <p>In this unit pupils learn to use space safely and effectively. They explore and develop basic gymnastic actions on the floor and using low apparatus. Basic skills of jumping, rolling, balancing and travelling are used individually and in combination to create movement phrases. Pupils are given opportunities to select their own actions to build short sequences and develop their confidence in performing. Pupils begin to understand the use of levels, directions and shapes when travelling and balancing.</p> | <p><u>Ball Skills</u></p> <p>In this unit, pupils will explore their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups. Pupils will be able to explore their own ideas in response to tasks.</p> <p><u>Dance</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils will explore travelling actions, movement skills and balancing. They will understand why it is important to count to music and use this in their dances. Pupils will copy and repeat actions linking them together to make short dance phrases. Pupils will work individually and with a partner to create ideas in relation to the theme. Pupils will be given the opportunity to perform and also to provide feedback, beginning to use dance terminology to do so.</p> | <p><u>Fitness</u></p> <p>In this unit, pupils develop their understanding of the benefits of exercise and a healthy lifestyle on their physical body, their mood and their overall health. They will work independently, in pairs and small groups to complete challenges in which they will sometimes need to persevere to achieve their personal <u>best</u>.</p> <p><u>Tennis</u></p> <p>In this unit pupils will develop their aim using both underarm and overarm actions. Pupils will be given opportunities to select and apply the appropriate action for the target considering the size and distance of the challenge. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will understand the importance of abiding by rules to keep themselves and others safe.</p> | <p><u>Athletics</u></p> <p>In this unit, pupils will develop skills required in athletic activities such as running at different speeds, changing direction, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently.</p> <p><u>Football (JL)</u></p> <p>Show control and accuracy with the basic actions for rolling, underarm throwing, striking a ball and kicking</p> <p>Choose and use skills effectively for particular games, understand the concepts of aiming, hitting into space</p> | <p><u>Sending and Receiving</u></p> <p>Pupils will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball. Pupils will be given opportunities to work with a range of different sized balls. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will understand the importance of abiding by the rules to keep themselves and others safe.</p> <p><u>Yoga</u></p> <p>Pupils learn about mindfulness and awareness. They begin to learn poses and techniques that will help them connect their mind and body. The unit looks to improve wellbeing by building strength, flexibility and balance. The learning includes postures, breathing and meditation taught through fun and engaging activities</p> | <p><u>Net & Wall</u></p> <p>Pupils will be introduced to the basic skills required in Net and Wall games. Pupils will learn the importance of the ready position. They will develop throwing, catching and racket skills, learning to track and hit a ball. They will learn to play against an opponent and over a net. They will begin to use rules and simple tactics when playing against a partner. They will be encouraged to demonstrate good sportsmanship and show respect towards others.</p> <p><u>Striking and Fielding</u></p> <p>Pupils develop their basic understanding of striking and fielding games such as Rounders and Cricket. They learn skills including throwing and catching, stopping a rolling ball, retrieving a ball and striking a ball. They are given opportunities to play one against one, one against two, and one against three. They learn how to score points and how to use simple tactics. They learn the rules of the games and use these to play fairly. They show respect towards others when playing competitively and develop communication skills.</p> |

| | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
|--------|---|--|---|--|---|---|
| Year 2 | <p><u>Tennis</u></p> <p>Pupils develop their understanding of the principles of target games. Pupils learn how to score points and play to the rules. They develop the skills of throwing, rolling and striking towards targets. They begin to self-manage their own games selecting and applying the skills they have learnt appropriate to the situation.</p> <p><u>Dance</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils explore space and how their body can move to express an idea, mood, character or feeling. They expand their knowledge of travelling actions and use them in relation to a stimulus. They will build on their understanding of dynamics and expression. They will use counts of 8 consistently to keep in time with the music and a partner. Pupils will also explore pathways, levels, shapes, directions, speeds and timing. They will be given the opportunity to work independently and with others to perform and provide feedback beginning to use key terminology.</p> | <p><u>Yoga</u></p> <p>Pupils learn about mindfulness and body awareness. They begin to learn yoga poses and techniques that will help them to connect their mind and body. The unit builds strength, flexibility and balance. The learning includes breathing and meditation taught through fun and engaging activities. Pupils will work independently and with others, sharing ideas and creating their own poses in response to a theme.</p> <p><u>Fundamentals</u></p> <p>Pupils will develop the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. Pupils will be given opportunities to work with a range of different equipment. Pupils will be asked to observe and recognise improvements for their own and others' skills and identify areas of strength. Pupils will be given the opportunity to work collaboratively with others, taking turns and sharing ideas.</p> | <p><u>Ball Skills</u></p> <p>In this unit, pupils will develop their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups.</p> <p><u>Gymnastics</u></p> <p>In this unit pupils learn to explore and develop basic gymnastic actions on the floor and using apparatus. They develop gymnastic skills of jumping, rolling, balancing and travelling individually and in combination to create short sequences and movement phrases. Pupils develop an awareness of compositional devices when creating sequences to include the use of shapes, levels and directions. They learn to work safely with and around others and whilst using apparatus. Pupils are given opportunities to provide feedback to others and recognise elements of high quality performance.</p> | <p><u>Sending & Receiving</u></p> <p>Pupils will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball. They will also use equipment to send and receive a ball. Pupils will be given opportunities to work with a range of different sized balls. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will build on their knowledge of sending and receiving by applying their skills in different situations.</p> <p><u>Athletics</u></p> <p>In this unit, pupils will develop skills required in athletic activities such as running at different speeds, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently. They learn how to improve by identifying areas of strength as well as areas to develop.</p> | <p><u>Fitness</u></p> <p>Pupils will take part in a range of fitness activities to develop components of fitness. Pupils will begin to explore and develop agility, balance, co-ordination, speed and stamina. Pupils will be given the opportunity to work independently and with others. Pupils will develop perseverance and show determination to work for longer periods of time.</p> <p><u>Football (JL)</u></p> <p>Pass a ball accurately to a partner/target over a variety of distances</p> <p>Participate in team games, developing simple tactics for attacking and defending.</p> | <p><u>Net & Wall</u></p> <p>Pupils will develop the basic skills involved in net and wall games. They will develop their understanding of the principles of net and wall games such as using the ready position to defend their space and sending the ball away from an opponent to maximise their chances of scoring. They will learn to play games honestly, abiding by the rules and showing respect towards their opponents and teammates.</p> <p><u>Striking & Fielding</u></p> <p>In this unit, pupils develop their understanding of the principles of striking and fielding games. They develop the skills of throwing and catching, tracking and retrieving a ball and striking a ball. They begin to self-manage small sided games. Pupils learn how to score points and play to the rules. Pupils will begin to think about how to use skills, strategies and tactics to outwit the opposition appropriate to the situation.</p> |

|--------|---|---|---|---|--|--|
| Year 3 | <p><u>Fundamentals</u></p> <p>Pupils will develop the fundamental skills of balancing, running, jumping, hopping and skipping. Pupils will develop their ability to change direction with balance and control. They will be given the opportunity to explore how the body moves at different speeds as well as how to accelerate and decelerate.</p> <p>Pupils will be asked to observe and recognise improvements for their own and others' performances and identify areas of strength and areas for development. Pupils will be given the opportunity to work on their own and with others, taking turns and sharing ideas.</p> <p><u>Basketball</u></p> <p>Pupils will be encouraged to persevere when developing competencies in key skills and principles such as defending, attacking, throwing, catching and dribbling. Pupils will learn to use attacking skills to maintain possession of the ball. They will start by playing uneven and then move onto even sided games. Pupils will understand the importance of playing fairly and to the rules. They will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition as well as learn how to evaluate their own and others' performances.</p> | <p><u>Dance</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils create dances in relation to an idea including historical and scientific stimuli. Pupils work individually, with a partner and in small groups, sharing their ideas. Pupils develop their use of counting and rhythm. Pupils learn to use canon, unison, formation and levels in their dances. They will be given the opportunity to perform to others and provide feedback using key terminology.</p> <p><u>Football (JL)</u></p> <p>Use a range of skills to help them keep possession and control of the ball</p> <p>Use a range of skills to keep possession and make progress towards a goal, on their own and with others</p> <p>Choose good places to stand when receiving, and give reasons for their choice</p> | <p><u>OAA</u></p> <p>Pupils develop problem solving skills through a range of challenges. Pupils work as a pair and small group to plan, solve, reflect and improve on strategies. They learn to be inclusive of others and work collaboratively to overcome challenges. Pupils learn to orientate a map, identify key symbols and follow routes.</p> <p><u>Swimming</u></p> <p>Explore a variety of strokes and perform them with increasing confidence</p> <p>Perform self-rescue in different water-based situations</p> | <p><u>Athletics</u></p> <p>In this unit, pupils will develop basic running, jumping and throwing techniques. They are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, distance or accuracy and learn how to persevere to achieve their personal best. Pupils are also given opportunities to measure, time and record scores.</p> <p><u>Swimming</u></p> <p>Explore a variety of strokes and perform them with increasing confidence</p> <p>Perform self-rescue in different water-based situations</p> | <p><u>Tennis</u></p> <p>Pupils learn how to strike a ball into space and running to return it. They focus on developing their throwing, catching and batting skills. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against.</p> <p><u>Gymnastics</u></p> <p>In this unit pupils focus on improving the quality of their gymnastic movements. They are introduced to the terms 'extension' and 'body tension.' They develop the basic skills of rolling, jumping and balancing and use them individually and in combination. Pupils develop their sequence work, collaborating with others to use matching and contrasting actions and shapes and develop linking sequences smoothly with actions that flow. Pupils develop their confidence to perform, considering the quality and control of their actions.</p> | <p><u>Yoga</u></p> <p>Pupils learn about mindfulness and body awareness. They learn yoga poses and techniques that will help them to connect their mind and body. The unit looks to improve well being by building strength, flexibility and balance. The learning includes breathing and meditation taught through fun and engaging activities. Pupils will work independently and with others to create their own yoga flows.</p> <p><u>Basketball</u></p> <p>Pupils will be encouraged to persevere when developing competencies in key skills and principles such as defending, attacking, throwing, catching and dribbling. Pupils will learn to use attacking skills to maintain possession of the ball. They will start by playing uneven and then move onto even sided games. Pupils will understand the importance of playing fairly and to the rules. They will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition as well as learn how to evaluate their own and others' performances.</p> |

| | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
|--------|--|--|---|---|---|--|
| Year 4 | <p><u>Dodgeball</u></p> <p>Pupils will improve on key skills used in dodgeball such as throwing, dodging and catching. They learn how to apply simple tactics to the game to outwit their opponent. In dodgeball, pupils achieve this by hitting opponents with a ball whilst avoiding being hit. Pupils are given opportunities to play games independently and are taught the importance of being honest whilst playing to the rules. Pupils are given opportunities to evaluate and improve on their own and others performances.</p> <p><u>Gymnastics</u></p> <p>In this unit, pupils create more complex sequences. They learn a wider range of travelling actions and include the use of pathways. They develop more advanced actions such as inverted movements and explore ways to include apparatus. They will demonstrate control in their behaviour to create a safe environment for themselves and others to work in. They work independently and in collaboration with a partner to create and develop sequences. Pupils are given opportunities to receive and provide feedback in order to make improvements on their performances. In gymnastics as a whole, pupils develop performance skills considering the quality and control of their actions.</p> | <p><u>Dance 1</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils focus on creating characters and narrative through movement and gesture. They gain inspiration from a range of stimuli, working individually, in pairs and small groups. In dance as a whole, pupils think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. Pupils will develop confidence in performing and will be given the opportunity to provide feedback and utilise feedback to improve their own work.</p> <p><u>Handball</u></p> <p>Pupils will be encouraged to persevere when learning key skills such as throwing, catching, dribbling, shooting and principles of defending and attacking. Pupils will use their attacking skills to maintain possession in game situations. They will play small-sided, un-even and even games. The pupils will understand the importance of playing fairly and following the rules. They will be encouraged to think about how to apply the skills learned in game like situations to improve and to get into a scoring opportunity, as well as how to best defend as a team. They will also evaluate their own and others' performances.</p> | <p><u>OAA</u></p> <p>Pupils further develop problem solving skills through a range of challenges. Pupils work as a pair and small group to plan, solve, reflect and improve on strategies. They learn to be inclusive of others and work collaboratively to overcome challenges. Pupils develop their knowledge of map reading, identifying key symbols and following routes.</p> <p><u>Netball</u></p> <p>Pupils will be encouraged to persevere when developing competencies in key skills and principles such as defending, attacking, throwing, catching and shooting. They will learn to use a range of different passes in different situations to keep possession and attack towards goal. Pupils will learn about defending and attacking play as they begin to play even-sided versions of 5-a-side Netball. They will learn key rules of the game such as footwork, held ball, contact and obstruction.</p> | <p><u>Athletics</u></p> <p>In this unit, pupils will develop basic running, jumping and throwing techniques. They are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, distance or accuracy and learn how to persevere to achieve their personal best.</p> <p><u>Tennis</u></p> <p>Tennis is a target game. In this unit pupils explore their understanding of the principles of striking a ball. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In tennis, pupils achieve this by striking a ball and returning when needed. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against.</p> | <p><u>Tag Rugby</u></p> <p>In this unit pupils will learn to keep possession of the ball using attacking skills. They will play uneven and then even sided games, developing strategies and social skills to self-manage games. Pupils will understand the importance of playing fairly and keeping to the rules. Pupils will think about how to use skills, strategies and tactics to outwit the opposition. They will learn how to evaluate their own and others' performances and suggest improvements.</p> <p><u>Dance 2</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils focus on creating characters and narrative through movement and gesture. They gain inspiration from a range of stimuli, working individually, in pairs and small groups. In dance as a whole, pupils think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. Pupils will develop confidence in performing and will be given the opportunity to provide feedback and utilise feedback to improve their own work.</p> | <p><u>Fitness</u></p> <p>Pupils will take part in a range of fitness challenges testing and record their scores. They will learn about different components of fitness; speed, stamina, strength, coordination, balance and agility. Pupils will be given opportunities to work at their maximum and improve their fitness levels. They will need to persevere when they get tired or when they find a challenge hard and are encouraged to support others to do the same. Pupils are asked to recognise areas for improvement and suggest activities that they could do to do this. Pupils will be encouraged to work safely and with control.</p> <p><u>Football (JL)</u></p> <p>Strike a ball with intent and throw it more accurately when bowling and/or fielding</p> <p>Use a range of skills with increasing control Effectively play a competitive net / wall game Keep and use rules they are given</p> |

| Year 5 | <p><u>Swimming</u></p> <p>Consolidate and develop the quality of their skills e.g. front crawl, back crawl, breaststroke, floating, and survival skills</p> <p>Swim competently, confidently and proficiently over a distance of at least 25 metres</p> <p>Choose and use a variety of strokes and skills, according to the task and the challenge e.g. swimming without aids, distance and time challenges</p> <p><u>Tag Rugby</u></p> <p>In this unit pupils will develop key skills and principles such as defending, attacking, throwing, catching, running and dodging. When attacking, pupils will support the ball carrier using width and drawing defence. When defending, pupils learn how to tag, how to track and slow down an opponent, working as a defensive unit. They will play collaboratively in both uneven and then even sided games. Pupils will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition. They develop their understanding of the importance of fair play and honesty while self managing games, as well as developing their ability to evaluate their own and others' performances.</p> | <p><u>Swimming</u></p> <p>Consolidate and develop the quality of their skills e.g. front crawl, back crawl, breaststroke, floating, and survival skills</p> <p>Swim competently, confidently and proficiently over a distance of at least 25 metres</p> <p>Choose and use a variety of strokes and skills, according to the task and the challenge e.g. swimming without aids, distance and time challenges</p> <p><u>Basketball</u></p> <p>In this unit pupils will develop key skills and principles such as defending, attacking, throwing, catching, dribbling and shooting. Pupils will learn to use attacking skills to maintain possession as well as defending skills to gain possession. Pupils will be encouraged to work collaboratively to think about how to use skills, strategies and tactics to outwit the opposition. They develop their understanding of the importance of fair play and honesty while self managing games, as well as developing their ability to evaluate their own and others' performances.</p> | <p><u>OAA</u></p> <p>Pupils develop teamwork skills through completion of a number of challenges. Pupils work individually, collaboratively in pairs and groups to solve problems. They are encouraged to be inclusive of others, share ideas to create strategies and plans to produce the best solution to a challenge. Pupils are also given the opportunity to lead groups and utilise negotiation skills. Pupils learn to orientate and navigate using a map.</p> <p><u>Football (JL)</u></p> <p>Use a range of techniques when passing, eg high, low, bounced, fast, slow</p> <p>Hit the ball with purpose, varying speed, height and direction Understand attacking and defending principles within a game situation</p> | <p><u>Athletics</u></p> <p>In this unit, pupils are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, height, distance or accuracy and learn how to persevere to achieve their personal best. They learn how to improve by identifying areas of strength as well as areas to develop. Pupils are also given opportunities to lead when officiating as well as observe and provide feedback to others.</p> <p>In this unit pupils learn the following athletic activities: long distance running, sprinting, relay, triple jump, shot put and javelin.</p> <p><u>Volleyball</u></p> <p>Pupils focus on developing the skills they need to play continuous rallies in volleyball. They will learn about the ready position, ball control, sending a ball over a net and how to use these skills to make the game difficult for their opponent. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. Pupils will be given the opportunity to work collaboratively with others and will develop confidence to achieve their best. They will understand the importance of abiding by rules to keep themselves & others safe. Pupils will develop character and control through engaging with coping strategies when exposed to competition and will be given the opportunity to take on the role of referee.</p> | <p><u>Hockey</u></p> <p>In this unit pupils will improve their defending and attacking skills playing even-sided games. They will start to show control and fluency in dribbling, sending and receiving a ball in a small game situation and under some pressure. Pupils will be encouraged to think about how to use tactics and collaborate with others to outwit their opposition. Pupils will comment on their own and other's performances and suggest ways to improve. They will also recognise the importance of fair play and honesty while self managing games.</p> <p><u>Gymnastics</u></p> <p>In this unit, pupils create longer sequences individually, with a partner and a small group. They learn a wider range of actions such as inverted movements to include cartwheels and handstands. They explore partner relationships such as canon and synchronisation and matching and mirroring. Pupils are given opportunities to receive and provide feedback in order to make improvements on their performances. In Gymnastics as a whole, pupils develop performance skills considering the quality and control of their actions.</p> | <p><u>Tennis</u></p> <p>Pupils develop the quality and consistency of their striking skills and understanding of when to use them and different striking styles e.g. back hand, over hand. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. Pupils work with a partner and group to organise and self-manage their own games. Pupils play with honesty and fair play when playing competitively.</p> <p><u>Dance</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils learn different styles of dance, working individually, as a pair and in small groups. In dance as a whole, pupils think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. As they work, they develop an awareness of the historical and cultural origins of different dances. Pupils will be provided with the opportunity to create and perform their work. They will be asked to provide feedback using the correct dance terminology and will be able to use this feedback to improve their work. Pupils will work safely with each other and show respect towards others.</p> |

| Year 6 | <p style="text-align: center;"><u>Gymnastics</u></p> <p>In this unit, pupils use their knowledge of compositional principles e.g. how to use variations in level, direction and pathway, how to combine and link actions, how to relate to a partner and apparatus, when developing sequences. They build trust when working collaboratively in larger groups, using formations to improve the aesthetics of their performances. Pupils are given opportunities to receive and provide feedback in order to make improvements on performances. In Gymnastics as a whole, pupils develop performance skills considering the quality and control of their actions.</p> <p style="text-align: center;"><u>Football (JL)</u></p> <p>Combine and perform skills with control, adapting them to meet the needs of the situation</p> <p>Play competitive games (modified where appropriate) showing tactical awareness of attacking and defending and some knowledge of rules and scoring</p> <p>Respond consistently in the games they play, choosing and using skills which meet the needs of the situation and learn how to evaluate and recognise their own success</p> | <p style="text-align: center;"><u>Dance</u></p> <p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils will focus on developing an idea or theme into dance choreography. They will work in pairs and groups using different choreographing tools to create dances e.g. formations, timing, dynamics. Pupils will have opportunities to choreograph, perform and provide feedback on dance. Pupils think about how to use movement to convey ideas, emotions, feelings and characters. Pupils will show an awareness of keeping others safe and will have the opportunity to lead others through short warm ups.</p> <p style="text-align: center;"><u>Tennis</u></p> <p>In this unit pupils develop their racket skills when playing tennis. They learn specific skills such as a forehand, backhand, volley and underarm serve. Pupils develop their tactical awareness including how to play with a partner and against another pair. They are encouraged to show respect for their teammates as well as their opponents when self managing games. Pupils are also given opportunities to reflect on their own and other's performances and identify areas to improve.</p> | <p style="text-align: center;"><u>OAA</u></p> <p>Pupils develop teamwork skills through completion of a number of challenges. Pupils work individually, collaboratively in pairs and groups to solve problems. They are encouraged to be inclusive of others, share ideas to create strategies and plans to produce the best solution to a challenge. Pupils are also given the opportunity to lead a small group. Pupils learn to orientate and navigate using a map.</p> <p style="text-align: center;"><u>Netball</u></p> <p>In this unit pupils will develop defending and attacking play during even-sided 5-a-side netball. Pupils will learn to use a range of different passes to keep possession and attack towards a goal. Pupils will be encouraged to work collaboratively to think about how to use skills, strategies and tactics to outwit the opposition. They will start to show control and fluency when passing, receiving and shooting the ball. They will learn key rules of the game such as footwork, held ball, contact and obstruction. Pupils also develop their understanding of the importance of fair play and honesty while self managing games.</p> | <p style="text-align: center;"><u>Athletics</u></p> <p>In this unit, pupils are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, distance or accuracy and learn how to persevere to achieve their personal best. They learn how to improve by identifying areas of strength as well as areas to develop. Pupils are also given opportunities to lead when officiating as well as observe and provide feedback to others.</p> <p>In this unit pupils learn the following athletic activities: long distance running, short distance running, triple jump, discus and shot put.</p> <p style="text-align: center;"><u>Dodgeball</u></p> <p>Pupils will improve on key skills used in dodgeball such as throwing, dodging and catching. They also learn how to select and apply tactics to the game to outwit their opponent. In dodgeball, pupils achieve this by hitting opponents with a ball whilst avoiding being hit. Pupils are given opportunities to play games independently and are taught the importance of being honest whilst playing to the rules. Pupils learn officiating skills when refereeing games and are given opportunities to evaluate and suggest improvements to their own and others' performances.</p> | <p style="text-align: center;"><u>Fitness</u></p> <p>Pupils will take part in a range of fitness challenges to test and record their scores. They will learn different components of fitness including speed, stamina, strength, coordination, balance and agility. Pupils will be given opportunities to work at their maximum and improve their fitness levels. They will need to persevere when they get tired or when they find a challenge hard and are encouraged to support others to do the same. Pupils are asked to recognise areas in which they make the most improvement using the scores they have collected.</p> <p style="text-align: center;"><u>Badminton</u></p> <p>Pupils focus on developing the skills they need to play continuous rallies in badminton. They will learn about the ready position, racket control, serving and hitting over a net and how to use these skills to make the game difficult for their opponent. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. Pupils will be given the opportunity to work collaboratively with others. They will understand the importance of abiding by rules to keep themselves & others safe. Pupils will develop character and control through engaging with coping strategies when exposed to competition and will be given the opportunity to take on the role of referee.</p> | <p style="text-align: center;"><u>Yoga</u></p> <p>Pupils learn about mindfulness and body awareness. They learn yoga poses and techniques that will help them to connect their mind and body. The unit looks to improve well being by building strength, flexibility and balance. The learning includes breathing and meditation taught through fun and engaging activities. Pupils will be given the opportunity to work collaboratively with others and be given the opportunity to create their own flows and lead others.</p> <p style="text-align: center;"><u>Cricket</u></p> <p>Cricket is a striking and fielding game. In this unit pupils develop their understanding of the principles of striking and fielding. They expand on their knowledge of the different roles of bowler, wicket keeper, fielder and batter. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In cricket, pupils achieve this by striking a ball and trying to avoid fielders, so that they can run between wickets to score runs. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against.</p> |
