Definition

A school council is a classroom elected body of pupils whose purpose is to represent their classes and be a forum for active and constructive pupil input into the daily life of the school.

Introduction

This document is a statement of the aims, principles and strategies for School Council at St Oswald's Primary School and its implementation is the responsibility of all members of staff at St Oswald's.

The Importance of School Councils

"All young people – irrespective of ability, personality, race or class – should feel valued and safe within an inclusive and caring school community throughout their school years. Schools with an ethos of mutual respect develop into caring communities where each individual understands that they can make a valuable contribution..." (Teddy Gold, Honorary director. Schools Councils UK, June 2000: taken from "Primary School Councils toolkit, 2000", page 5).

A school is a community and School Council will help to make St. Oswald's School a more welcoming and respectful place to be.
