Attendance Newsletter : Friday 22<sup>nd</sup> November

**We are aiming for 97% and above!**

## Punctuality

Most of our children arrive in school on time to start the day! It is important that your child attends school every day and on time. Arriving late to school is unsettling for children and disrupts the start to their day. Did you know that 10 minutes late every day = 32 hours of lost learning each year!! The gates open at 8:30am and the school day starts at 8:45am. Please work with school to ensure your child is in school before the registers close. Thank you. Please do contact school if you need any support with this.

**92.8%**

Well done

A big well done to those classes who have hit our attendance target of at least 97%. What a great effort this week. Let's see if we can have more classes in the 97% zone next week!

## December Attendance Challenge

There are only 15 school days in December before we are off for the Christmas holidays. Wouldn't it be amazing for as many children as possible to be in school every day in December, in order to enjoy all the wonderful Christmas activities planned?

Look out for the letter coming home next week about our December Attendance Challenge.
